

At LTM Foundation **COVERING ALL THE BASES** means keeping close to all of those affected by addiction and giving them the support they need while continuing to promote prevention through awareness.

We do this in memory of **Louis Theodore Miceli**, who lost his life to a heroin overdose. Please help us continue to fight this epidemic while providing encouragement for those affected by supporting our fundraising event.

**\$25 Ticket Package:**

- > Reserve seat ticket for the Boomers vs Joliet Slammers
- > Baseball hat and bag with logo
- > Voucher for hotdog, drink and chips
- > Free parking

**AND THAT'S NOT ALL.....**
